

Bathroom Interview Practice Questions

(answer truthfully; don't guess if unsure).

1) How many bathrooms + which one they use

- How many bathrooms are in the home?
- Which bathroom do you both use most often (hallway, attached to bedroom, first floor)?
- Is there a guest bathroom? Who uses it and when?
- If there are two bathrooms: who prefers which one and why?

2) Layout + fixtures

- When you walk into the bathroom, what's directly in front of you (sink/toilet/shower)?
- Is the sink a pedestal sink or cabinet vanity?
- Is the mirror above the sink a plain mirror or medicine cabinet?
- Toilet: standard or elongated? Any special features (soft-close seat, bidet attachment)?
- Any window in the bathroom? Where is it located?

3) Shower/tub details

- Shower, bathtub, or shower/tub combo?
- Shower curtain or glass door?
- If curtain: what color/pattern? Does it have a liner? Where are extra liners stored?
- If glass: sliding door or hinged?
- What's inside the shower right now (real items): shampoo/conditioner/body wash brands, razor, loofah, washcloths.
- Where do you store backup shampoo/toiletries (under sink, linen closet, etc.)?
- Do you have a shower caddy? Hanging or corner shelf?
- Any bath mat outside the tub? What color? How often is it washed?

4) Toothbrushes + sink area

- Where are toothbrushes kept (cup, holder, drawer, cabinet)?
- What color are each person's toothbrush / brush head?
- Manual or electric toothbrush? If electric: where is the charger plugged in?
- Toothpaste brand — where is it stored?
- Floss/mouthwash: which brands and where are they kept?
- Do you share any products (soap, toothpaste, face wash) or keep separate?

5) Vanity / drawers / cabinet contents

- Under-sink cabinet: what's inside right now (cleaning supplies, toilet paper, extra soap, plunger)?

- Do you have drawers? What's in each one (makeup, grooming, hair products)?
- Where do you keep: Q-tips/cotton balls, nail clippers/tweezers, hair dryer/flat iron, shaving cream, contact solution (if applicable)?
- Do you keep any meds/vitamins in the bathroom? If yes, where?

6) Towels, linens, and storage

- How many towels do you have out right now (bath towels/hand towels)?
- What color are the towels currently hanging?
- Where are extra towels stored (linen closet, shelf, under sink)?
- Who usually changes towels and how often?
- Do you use separate towels or share sometimes?
- Where do used towels go (hamper, hook, laundry room, etc.)?

7) Toilet paper + bathroom trash

- Where is toilet paper stored (under sink, closet, shelf)?
- Brand of toilet paper (or where you buy it, like Costco/Target)?
- Do you have a toilet brush? Where is it kept?
- Bathroom trash can: where is it located? Type/size? Does it have a lid?
- What trash bags do you use (color/brand if known)? Where are extra bags stored?
- When is bathroom trash taken out and by who?

8) Cleaning routine + supplies

- Who cleans the bathroom most often?
- How often do you clean it (weekly/biweekly)?
- What products do you use (bleach, Lysol, Scrubbing Bubbles, etc.)?
- Where are cleaning supplies stored?
- Do you have rubber gloves? Where are they?
- What do you use to clean the mirror (paper towels, spray, microfiber cloth)?

9) Water, plumbing, and little real-life details

- Any issues recently (clogged drain, leaky faucet, running toilet)?
- If something breaks, who usually handles it (you, landlord, maintenance)?
- Do you use a drain strainer/hair catcher? What color/where is it?
- Do you keep a plunger in the bathroom? Where exactly?

10) Lighting, ventilation, and temperature

- Light switch location (inside/outside bathroom)?
- Do you have a bathroom fan? Does it turn on with the light or a separate switch?
- Any heater/heat lamp?
- Any air freshener (plug-in, spray, candles)? What scent/brand?
- Window: does it open up/down or slide sideways? Do you open it often?

11) Personal care routines

- Who showers first usually (morning/night)?
- Typical shower time routines: quick or long? Who takes longer?
- Do you shave in the shower or at the sink?
- Where do you keep perfumes/cologne/deodorant?
- Do you keep skincare products in the bathroom or bedroom?

12) Last week reality-check questions

- What color towels were hanging last week (before the current set)?
- When was the last time you bought toothpaste/shampoo?
- Who replaced the toilet paper last?
- When did you last clean the bathroom and what did you use?

Tip: If you're not sure about a detail, it's better to say "I don't remember exactly" than to guess.
