

Insurance & Healthcare — Interview Practice Questions

(answer truthfully; only share what you truly know, don't guess).

1) Health insurance basics (only what you truly know)

- Do you currently have health insurance (yes/no/not sure)?
- Is it through an employer, marketplace (ACA), MassHealth/Medicaid, or another program?
- Whose name is the primary policyholder (you/spouse/other)?
- If you share a plan: who is listed as a dependent on whose plan?
- Do you know the insurance company name and plan name (if known)?
- Do you have physical insurance cards? Where are they kept (wallet, home folder, phone app)?

2) Dental and vision coverage (if applicable)

- Do you have dental insurance? Through employer/marketplace/other?
- Do you have vision coverage?
- Whose plan is dental/vision under (if different from health)?
- Where do you keep dental/vision cards or member ID info?

3) Primary care doctor and clinics

- Do you have a primary care doctor (PCP)?
- What clinic/doctor's office do you usually go to (name or general area)?
- Who is listed as your PCP (if you know)?
- When was your last checkup (approx)?
- Do you both go to the same clinic or different places?

4) Dentist and routine care

- Do you have a regular dentist?
- What dental office do you go to (name or general area)?
- When was your last dental cleaning (approx)?
- Do you go together to appointments or separately?

5) Prescriptions and pharmacy (if relevant)

- Do you use a regular pharmacy (CVS, Walgreens, local pharmacy)? Which location/area?
- Who picks up prescriptions most often?
- Do you use a pharmacy app or automatic refills?

6) Life insurance (if applicable)

- Do you have life insurance (through work, private plan, not sure)?
- Whose name is the policyholder?
- Do you know the insurance company name (if known)?
- Who is listed as beneficiary/beneficiaries (if applicable)?
- Where are life insurance documents stored (paper folder, email, safe)?

7) Emergency contacts and records

- Who is listed as your emergency contact at work (name/relationship)?
- Who is listed as emergency contact for medical records (if you know)?
- If children are involved: who is listed on school/daycare forms?
- Do you both list each other as emergency contacts? Where (work, doctor, school)?

8) Healthcare usage and habits (simple and truthful)

- Where do you go for urgent care if needed (urgent care clinic, ER, primary doctor)?
- Do you have a preferred hospital or urgent care location (general area)?
- Who usually schedules appointments (you/spouse/both)?
- Do you keep medical paperwork at home? Where is it stored?

9) Payments and billing (only if known)

- Do you usually pay copays in person or get bills later?
- Do you pay medical bills from a shared account or separate accounts?
- Do you use an HSA/FSA through work (if applicable and known)?

10) “Reality check” questions (recent and specific)

- When was the last time you used your health insurance (appointment, prescription, urgent care)?
- What was the most recent healthcare bill you remember paying and how was it paid?
- Where can you find your member ID right now (card, app, email)?

Tip: It's okay to say “I'm not sure” about plan names or amounts. If needed, check your insurance card/app/email to confirm instead of guessing.
