

# Living Room Interview Practice Questions

---

Answer only what is true for your home and routine. If you are unsure about a detail, it is better to say "I don't remember exactly" than to guess.

## Furniture basics (sofa, chairs, tables)

- How many couches are in the living room? What color and material (leather, fabric, microfiber)?
- Is it a sectional or separate pieces? Which side is the chaise on (left/right when facing it)?
- How many chairs (recliners, accent chairs)? What colors? Any throw pillows or blankets (how many, what colors)?
- Coffee table and side tables: how many, what color/finish (black, oak, glass top)?
- When were the main pieces bought (rough month/year)? From where (IKEA, Wayfair, Facebook Marketplace, etc.)?
- Who paid (card/cash), whose card, and was it delivered or picked up?
- Any furniture warranties/receipts: where are they kept?

## TV and entertainment setup

- TV size (approx inches) and brand (Samsung, LG, Vizio, TCL, etc.)?
- Where is the TV placed (stand or wall-mounted)? If mounted: who mounted it?
- What is connected to it (Roku/Firestick/Apple TV, game console, soundbar)?
- What streaming services do you use, and whose account(s) are they?
- Who normally uses the remote, and where is the remote usually kept?
- What did you most recently watch together in the living room (a real example)?
- Is there cable or internet equipment in the living room? Where is the modem/router located?

## Floors, rugs, and layout

- Is the living room floor carpet, hardwood, laminate, or tile?
- If there is a rug: what color/pattern and roughly what size?
- Any floor protectors or pads under furniture?
- Describe the layout: what is the first thing you see when you walk in? What is left/right?

## Windows, blinds, and curtains

- How many windows are in the living room?
- Do they slide up/down or side-to-side? Where is the lock/latch located?
- Curtains or blinds? What color? Blackout or light-filtering?
- Who opens the windows most often, and when (summer nights, etc.)?

## Heating, cooling, and thermostat details

- Central air or window AC? If window AC: which window and what brand?
- Where is the thermostat located (hallway, living room wall, etc.)?
- Typical temperature settings for heat and for AC (day vs night)?
- Who usually adjusts the thermostat?
- Any space heaters or fans? Where are they stored when not in use?

## Decor, personal items, and what is on/around

- What is on the walls (photos, frames, mirrors, artwork)? Any family photos: who is in them?
- What is on the coffee table right now (coasters, candles, magazines)?
- What is on or under the TV stand (game controllers, books, bins)?
- Any plants? Real or fake? Where are they placed?
- Any religious items, holiday decor, or special items displayed in the living room?

## Daily routine in the living room

- Where do you usually sit (each person's usual spot)?
- What do you typically do in the evenings (watch TV, talk, phone scrolling, games)?
- Do you eat in the living room sometimes? If yes, what do you eat and where do plates go after?
- Who cleans the living room, and how often (vacuuming, dusting)?
- Where do shoes, jackets, or bags go when you come in?

## Household logistics tied to the living room

- Where are keys usually kept?
- Where is mail placed when it comes in?
- Where do you charge phones (outlets, charging station)?
- Where is the Wi-Fi router located and what does it look like (black/white box, blinking lights)?
- Any pet items in the living room (beds, toys, bowls)?

## Reality-check questions (recent days)

- What did you watch most recently together in the living room?
- Who had the remote last night?

- When was the last time you vacuumed/swept the living room?
- Did you have guests over recently? If yes: who sat where?
